

REDS HOLD YONKERS MAN

**Released Priest Says He Shared
China Cell With Redmond**

HONG KONG, April 22 (UP)—

A French Roman Catholic priest released from Red China today said that he had shared a cell in a Shanghai prison with Hugh Redmond, of Yonkers, N. Y.

The Rev. Louis Circuffe, who with a French Bishop, three other priests and a brother were released by the Reds today, said Mr. Redmond was "very sick."

Mr. Redmond, who was imprisoned by the Chinese Communists April 26, 1951, was the only American he saw, the priest said.
